[REDACTED]

Here is the only other one that I am aware of. (See below)

BTW, the reason I know about these is because Google provides a service called "Google Alert" that is a clipping service. I have a Google Alert tagged for "BYU Bookstore" because I like to see what pops on the internet regarding the BYU Bookstore (Blogs, news stories, etc.). The service also picks up anything "BYU" which is how I am aware of these two blogs about this guy.

You or one of your staff ought to order a Google Alert for BYU, Brigham Young University, etc. I'd be amazed to read all that I posted on the internet about our campus. FYI! -R

As many of you know, I was recently denied my BA degree in Communications Studies at **BYU** after completing all the requirements for graduation because I was excommunicated from the LDS Church for publishing the infamous Men on a Mission ...

Thank you [REDACTED] I have seen this message, although not this particular Web site. If it's not much bother, would you mind forwarding any others that you see.

Much thanks,

I am guessing that you or your staff follow this guy and receive these links? If not, I've seen one or two others if you want them. FYI! [REDACTED]
